32.01-2

Subdivision

Permit requirement

A permit is required to subdivide land.

Exemption from notice and appeal

An application to subdivide land into lots each containing an existing dwelling or car parking space is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

Decision guidelines

Before deciding on an application to subdivide land into residential lots of between 300 square metres and 4,000 square metres (inclusive), in addition to the decision guidelines in Clause 65, the responsible authority must consider:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The Victorian Code for Residential Development - Subdivision and Single Dwellings, April 1992.

32.01-3 Construction and extension of single dwellings on lots of at least 300 square metres

On a lot of at least 300 square metres, one dwelling may be constructed or extended provided the development meets the performance measures for the following elements of the Victorian Code for Residential Development - Subdivision and Single Dwellings, April 1992:

- E2 - Building siting and design.
- E3 - Private open space.
- E4 - Vehicle parking (performance measures 1 and 2 only).
- E11 - Utilities provision (performance measure 1 only).

If the development does not meet one or more of these performance measures, it must comply with the Building Regulations 1994 or any variation granted under those regulations.

32.01-4 Construction and extension of medium-density housing and residential buildings

Permit requirement

A permit is required to:

- Construct or extend one dwelling on a lot of less than 300 square metres.
- Construct a dwelling if there is at least one dwelling on the lot.
- Construct two or more dwellings on a lot.
- Extend a dwelling if there are two or more dwellings on the lot.
- Construct or extend a residential building.

This does not apply to the construction of one dependent person's unit on a lot.

Application requirements

An application must be accompanied by a site analysis and a design response as described in Clause 52.04 and The Good Design Guide for Medium-Density Housing Revision No 2, April 1998.

Satisfactory site analysis before notice and decision

The responsible authority:

- Must inform the applicant in writing:
 - before notice of an application is given; or
 - if notice of an application is not required to be given, before deciding the application,
 that the site analysis meets the requirements of Clause 52.04 and is satisfactory or does not meet the requirements of Clause 52.04 and is not satisfactory.

If the responsible authority decides that the site analysis is not satisfactory, it may require more information from the applicant under Section 54 of the Act.

- Must not require notice of an application to be given or decide an application until it is satisfied that the site analysis meets the requirements of Clause 52.04 and is satisfactory.

This does not apply if the responsible authority refuses an application under Section 52(1A) of the Act.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The Good Design Guide for Medium-Density Housing Revision No 2, April 1998, and any Local Variation incorporated in this scheme. This does not apply to a development of five or more storeys, excluding a basement.

32.01-5 Buildings and works associated with a Section 2 use

A permit is required to construct a building or construct or carry out works for a use in Section 2 of Clause 32.01-1.

32.01-6 Advertising signs

Advertising sign requirements are at Clause 52.05. This zone is in Category 3.

Notes: *Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of land.*

Check whether an overlay also applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
