

45.01 PUBLIC ACQUISITION OVERLAY

Shown on the planning scheme map as **PAO** with a number.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To identify land which is proposed to be acquired by a public authority.

To reserve land for a public purpose and to ensure that changes to the use or development of the land do not prejudice the purpose for which the land is to be acquired.

45.01-1 Permit required

A permit is required to:

- Use land for any Section 1 or Section 2 use in the zone.
- Construct a building or construct or carry out works. This does not apply to a public authority or a municipal council if the responsible authority, after consulting with the authority responsible for acquiring the land, is satisfied that the building or works will not interfere with the purpose for which the land is to be acquired.
- Damage, demolish or remove a building or works.
- Damage, remove, destroy or lop any vegetation. This does not apply:
 - If the vegetation has been planted for pasture, timber production or any other crop.
 - To any action which is necessary to keep the whole or any part of a tree clear of an electric line provided the action is carried out in accordance with a code of practice prepared under Section 65 of the State Electricity Commission Act 1958.
- Subdivide land.

45.01-2 Referral of applications

An application must be referred under Section 55 of the Act to the authority responsible for acquiring the land.

45.01-3 Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The effect of the proposed use or development on the purpose for which the land is to be acquired as specified in the schedule to this overlay.

A permit granted under this clause may be conditional on:

- The extent of alterations and extensions to an existing building and works, and the materials that may be used.
- The location, dimensions, design and material of a new building or works.
- The demolition, removal or alteration of any buildings or works.
- The demolition or removal of buildings or works constructed or carried out in accordance with a permit under this clause.
- No compensation being payable for the demolition or removal of any buildings or works constructed under the permit.

45.01-4 Land not to be spoiled or wasted

Land must not be spoiled or wasted so as to adversely affect the use of the land for the purpose for which it is to be acquired.

45.01-5 Land Acquisition and Compensation Act 1986

In administering the Land Acquisition and Compensation Act 1986 or any act or regulation dealing with land acquisition or compensation any land included in a Public Acquisition Overlay is reserved for a public purpose.

Notes: Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of land.

Check the requirements of the zone which applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
