

Education facilities

Objective

To assist the integration of education and early childhood facilities with local and regional communities.

Strategies

Consider demographic trends, existing and future demand requirements and the integration of facilities into communities in planning for the location of education and early childhood facilities.

Locate childcare, kindergarten and primary school facilities to maximise access by public transport and safe walking and cycling routes.

Ensure childcare, kindergarten and primary school facilities provide safe vehicular drop-off zones.

Locate secondary school and tertiary education facilities in designated education precincts and areas that are highly accessible to public transport.

Locate tertiary education facilities within or adjacent to activity centres.

Ensure streets and accessways adjoining education and early childhood facilities are designed to encourage safe bicycle and pedestrian access.

Develop libraries as community based learning centres.
