Buildings and works

Requirements

A permit is required to:

- Demolish or remove a building or place within Walhalla listed in the table to Clause 43.01.
- Construct a building, including a fence.
- Alter externally any building or place by structural work, painting, rendering, sandblasting, or in any other way.
- Construct or carry out works, including municipal works.
- Remove or destroy the trees or plants listed in Clause 43.01 of this Scheme.
- Construct or display a sign.

This does not apply to repairs and routine maintenance to buildings and places that do not change the external appearance.

It does not apply to an adverse possession claim fence, that consists of star pickets not less than 3 metres apart and joined by not more than two strands of standard gauge plain fencing wire.

Plans for approval

For any proposed development, a plan showing the overall development of the site must be prepared to the satisfaction of the responsible authority. The plans must indicate:

- The method of effluent disposal.
- Any alterations to the natural topography of the land.
- The extent and location of water supply.
- The method and extent of fire protection.
- Any proposed landscaping.
- Other details, as required by the responsible authority.

Guidelines for a permit

Before deciding on an application, the responsible authority must consider:

- The purpose of the zone.
- The importance, character, and appearance of the building or place to be demolished.
- Whether the location, bulk, and appearance of the proposed building or works will adversely affect the character and importance of the area.
- The importance of vegetation to the character of the area.
- Whether the subdivision will result in development in keeping with the character and appearance of the area.
- The view of any organisation having an interest in the building or place.

- Any policy or code adopted by Council, relevant to the use, development or management of the land in Walhalla.
- The adequacy of services provided.
- The orderly and proper planning of the area.
