- Subdivide land.

36.02-3 Application requirements

An application for a permit by a person other than the relevant public land manager must be accompanied by the written consent of the public land manager, indicating that the public land manager consents generally or conditionally either:

- To the application for permit being made.
- To the application for permit being made and to the proposed use or development.

36.02-4 Exemption from notice and appeal

An application to subdivide land which is consistent with an Incorporated plan is exempt from the notice requirements of Section 52(1) (a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

36.02-5 Decision guidelines

Before deciding on an application to use or subdivide land, construct a building or construct or carry out works, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The comments of any public land manager or other relevant land manager having responsibility for the care or management of the land or adjacent land.
- Whether the development is appropriately located and designed, including in accordance with any relevant use, design or siting guidelines.

36.02-6 Incorporated plan

An Incorporated plan is a plan which shows the way the land is to be used and developed. An Incorporated plan may include the following information:

- Recognition of existing use and how the area is to be developed.
- The building envelope of any proposed buildings.
- Details of any proposed buildings or works.
- The location of pedestrian or vehicle access points or car parking areas.

- The location of any areas for specific uses or a schedule of specific uses which are allowed without permit.
- Topographic details including any proposed cut and fill.
- The location of existing and proposed features.
- The location of existing native and other vegetation and any proposed landscaping works or areas of vegetation to be added or removed.
- The identification of sites of flora or fauna significance (including, in particular, any potentially threatened species or significant habitat) or other places of cultural heritage or scientific value.

The Incorporated plan must be consistent with the intent of the public land reservation under any Act and make reference to relevant policies and guidelines.

An Incorporated plan may be prepared in parts or stages.

36.02-7 Use and development of land identified in a schedule

Land identified in a schedule to this zone may be used and developed in accordance with the schedule or the specific controls contained in an incorporated document corresponding to the land, provided any condition in the schedule or incorporated document is complied with.

36.02-8 Advertising signs

Advertising sign requirements are at Clause 52.05. This zone is in Category 4 unless a different requirement is specified in the schedule to this zone.

Note: Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of the land.

Check whether an overlay also applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
