SCHEDULE 3 TO THE DEVELOPMENT PLAN OVERLAY

Shown on the planning scheme map as **DPO3**

RESIDENTIAL 1 ZONE – DENSITY MANAGEMENT AREAS

1.0 Requirement before a permit is granted

19/01/2006
VC37

A permit may be granted before a development plan has been prepared to the satisfaction of the responsible authority to use land, construct buildings or to construct or carry out works.

2.0 Conditions and requirements for permits

19/01/2006
VC37

All residential development must be serviced with reticulated water and sewerage and underground, reticulated electricity.

All residential development must be serviced with sealed roads and underground stormwater drainage.

3.0 Requirements for development plan

23/09/2010
C89(Part 1)

The development plan must:

- Describe the relationship of proposed uses on the land to existing and proposed uses on adjoining land and proposed buffer areas separating land uses.
- Identify any sites of conservation, heritage or archaeological significance and the means by which they will be managed.
- Provide appropriate arrangements for the provision and funding of necessary physical and social infrastructure.
- List the staging and anticipated timing of development.
- Provide appropriate arrangements for the preservation or regeneration of existing vegetation.
- Provide suitable linkages between the site and road, public, bicycle and pedestrian transport facilities to urban areas.
- Provide a soil and water report with all applications to demonstrate the capacity of infrastructure to service the development, treat and retard stormwater and reduce any impacts soil and water downstream of the development.
- Indicate lots of at least 1,500m^2 (or that indicated on attached maps 1-11) in the following Residential 1 Zone areas as shown on attached Maps 1-11:
  - Map 1 Eaglehawk/Myers Flat Area
  - Map 2 Ironbark Area
