

**LAND USE TERMS**

The following table lists terms which may be used in this planning scheme in relation to the use of land. This list is not exhaustive. However, a term describing a use or activity in relation to land which is not listed in the table must not be characterised as a separate use of land if the term is obviously or commonly included within one or more of the terms listed in the table.

**Meaning of terms**

A term listed in the first column, under the heading "Land Use Term", has the meaning set out beside that term in the second column, under the heading "Definition".

**No definition of listed term indicates ordinary meaning**

A term listed in the first column, under the heading "Land Use Term", which does not have a meaning set out beside that term in the second column, under the heading "Definition", has its ordinary meaning.

**Terms which specifically include other listed terms**

A term listed in the first column, under the heading "Land Use Term", which has other terms listed beside it in the third column, under the heading "Includes", includes any term so listed in the third column and any term included within that term in the third column, but does not include any other term listed in the first column.

A term listed in the first column which has other terms listed beside it in the third column may also include other terms which are not listed in the first column.

All terms listed in the third column are also listed in the first column.

**Terms which do not specifically include other listed terms**

If a term listed in the first column, under the heading "Land Use Term", does not have any term listed beside it in the third column, under the heading "Includes", that term does not include any term listed in the first column.

However, a term listed in the first column which does not have any term listed beside it in the third column may include other terms which are not listed in the first column.

**Terms which are included within other listed terms**

A term listed in the first column, under the heading "Land Use Term", which has a term listed beside it in the fourth column, under the heading "Included in", is included within the term so listed in the fourth column and any term which includes that term in the fourth column.

All terms listed in the fourth column are also listed in the first column.

**Terms which are not included within other listed terms**

If a term listed in the first column, under the heading "Land Use Term", does not have a term listed beside it in the fourth column, under the heading "Included in", that term is not included within any other term listed in the first column.
