Interpretation

If there is an inconsistency between any provision in this clause or a schedule to this clause and any other clause or provision of the Yarra Ranges Planning Scheme, the requirements of this clause or a schedule to this clause prevail.

51.03-3

31/07/2018
VC148

Permit requirement

A permit is required to:

- Construct a building or construct or carry out works. This does not apply if the schedule to this clause specifically states that a permit is not required.
- Remove, destroy or lop any vegetation. This does not apply if the schedule to this clause specifically states that a permit is not required.

Any permit issued must meet the requirements of the schedule to this clause.
