

43.04 DEVELOPMENT PLAN OVERLAY

Shown on the planning scheme map as **DPO** with a number.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To identify areas which require the form and conditions of future use and development to be shown on a development plan before a permit can be granted to use or develop the land.

To exempt an application from notice and review if it is generally in accordance with a development plan.

43.04-1 Requirement before a permit is granted

A permit must not be granted to use or subdivide land, construct a building or construct or carry out works until a development plan has been prepared to the satisfaction of the responsible authority.

This does not apply if a schedule to this overlay specifically states that a permit may be granted before a development plan has been prepared to the satisfaction of the responsible authority.

A permit granted must:

- Be generally in accordance with the development plan.
- Include any conditions or requirements specified in a schedule to this overlay.

43.04-2 Exemption from notice and appeal

An application under any provision of this scheme which is generally in accordance with the development plan is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

43.04-3 Preparation of the development plan

The development plan may consist of plans or other documents and may, with the agreement of the responsible authority, be prepared and implemented in stages.

The development plan must describe:

- The land to which the plan applies.
- The proposed use and development of each part of the land.
- Any other requirements specified for the plan in a schedule to this overlay.

The development plan may be amended to the satisfaction of the responsible authority.

Notes:

Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of land.

Check the requirements of the zone which applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
