

SCHEDULE 1 TO THE DEVELOPMENT PLAN OVERLAY

Shown on the planning scheme map as **DPO1**.

RESIDENTIAL 1 DEVELOPMENT PLAN

1.0 Conditions and requirements for permits

- All residential development should, wherever practical, be serviced with reticulated water and sewerage and underground reticulated electricity
- All residential development should, wherever practical, be serviced with sealed roads and underground stormwater drainage.

2.0 Requirements for development plan

The Development Plan will :

- describe the relationship of uses proposed on the land to existing and proposed uses on adjoining land and proposed buffer areas separating land uses;
- identify any sites of conservation, heritage or archaeological significance and the means by which they will be managed;
- provide appropriate arrangements for the provision and funding of necessary physical and social infrastructure;
- list the staging and anticipated timing of development;
- provide an overall scheme of landscaping and any necessary arrangements for the preservation or regeneration of existing vegetation;
- provide suitable linkages between the site and road, public, bicycle and pedestrian transport facilities to urban areas;
- provide a *Soil and Water Report* with all applications to demonstrate the capacity of infrastructure to service the development, treat and retard stormwater and reduce any impacts soil and water downstream of the development.
